The government shutdown limits my teams work to specific duties. As a result, only a three of us out of a staff of 25 people are working. Processing a FOIA request is not one of the duties identified by our lawyers that we can lawfully perform. We can answer your question once the government shutdown has ended.

This will have to wait until after the shutdown ends as it is not allowable under law.

Good Afternoon,

Can you confirm that OSP has no responsive records for the above FOIA request? I do not see any notes on the case from OSP. I am looking to close this case.

Thanks,
